School Completion Policy

All students deserve recognition for their educational accomplishments. Some students ASCEND Online may be recommended for a School Completion (Evergreen) certificate.

Students may receive a School Completion certificate if they fulfill the following requirements:

1. The student is enrolled with ASCEND Online as their school of record.
2. The student is enrolled in an educational program that is not designed to meet the graduation requirements set out in Ministerial Order M302/04, the Graduation Program Order **and**
3. The student has an IEP and the student meets the learning outcomes contained in the IEP, if that IEP contains all the learning outcomes of the student's educational program, **or**
4. The student has an IEP and has successfully completed their educational program, if the IEP does not contain all the learning outcomes of the student's educational program.
